

REGISTRATION AUGUST 17 - 22

FINE ARTS SCHOOL AT FPC

FALL 2020

ART AND MUSIC CLASSES

Due to current conditions with COVID-19, the Fall 2020 semester has been shortened to 12 weeks. Dr. Lee will begin the semester teaching virtual lessons via Zoom, with hopes of moving to in-person lessons (with the necessary safety measures) soon. NOTE: Dr. Lee's program is full and open to existing students only. Ms. Aldrin will teach art in-person with safety precautions outlined below.

REGISTRATION

Registration for class instruction is conducted prior to each semester. Piano students must schedule lesson time with Dr. Lee prior to registering.

A **\$20 deposit** per student is required at the time of enrollment. This is nonrefundable and will be applied toward class fees. A completed enrollment form with deposit is necessary to reserve space in a particular class. On-line registration is preferred.

Class tuition is payable by the semester and may be made in installments. One third of all tuition and materials fees are due by first class day. Remaining two-thirds payments are due in equal amounts five weeks into the semester and ten weeks into the semester. Piano lesson tuition may be paid by the semester or monthly. A \$10 late fee will be assessed for late payment.
